KINDERGARTEN

INFORMATION

PACKET

Thank you for allowing WeeSchool to guide your child academically and nurture their understanding of God. WeeSchool is state licensed and a member of the Early Childhood Christian Network.

The Kindergarten class is for children who turned 5 by September 1<sup>st</sup>. After completing Kindergarten at WeeSchool, your child can begin first grade in public or private school. You may also use this year as a bridge or transitional year, planning to repeat another Kindergarten year. The lead teacher is certified to teach Kindergarten.

Our program uses ABEKA curriculum along with Handwriting without Tears and Grow Bible Curriculum. We align our curriculum with Texas Essential Knowledge Skills (state standards for what students should know and be able to do). We strive to focus on whole child development. The kindergarten classroom provides time for play and hands on experiences along with direct instruction. Kindergarten has a scheduled snack and lunch provided by parents. No nap time.

Your child's daily routine will consist of Bible lessons, readers/writers' workshop, literacy stations, math, science, and history, daily outdoor play, and breaks. Children will participate in weekly Chapel and Music and Movement.

Please see the parent handbook for regulations and policies.
